## GENERAL INFORMATION

$>$ Students requesting to change their major must select a specific major from the current Galveston College Catalog, available at www.gc.edu.
> It is the student's responsibility to update his/her degree plan with their Advisor/Counselor.
$>$ NOTE: Students must apply separately and meet specific admissions requirements and selection criteria for certain programs (i.e., Nursing, Radiography, Magnetic Resonance Imaging, Nuclear Medicine, Radiation Therapy Technology, Computerized Tomography Technology, Clinical Trials Coordinator, etc.). An acceptance letter may be required for a change of program to a restricted program.

## INSTRUCTIONS

1. The student completes the Change of Program form with their Advisor/Counselor.
2. The student reviews his/her Degree Audit.
3. An Advisor/Counselor documents the semester and catalog year for which the change will be effective for the new and previous programs.
4. An Advisor/Counselor will submit the completed form to the Office of Admissions for immediate processing.
